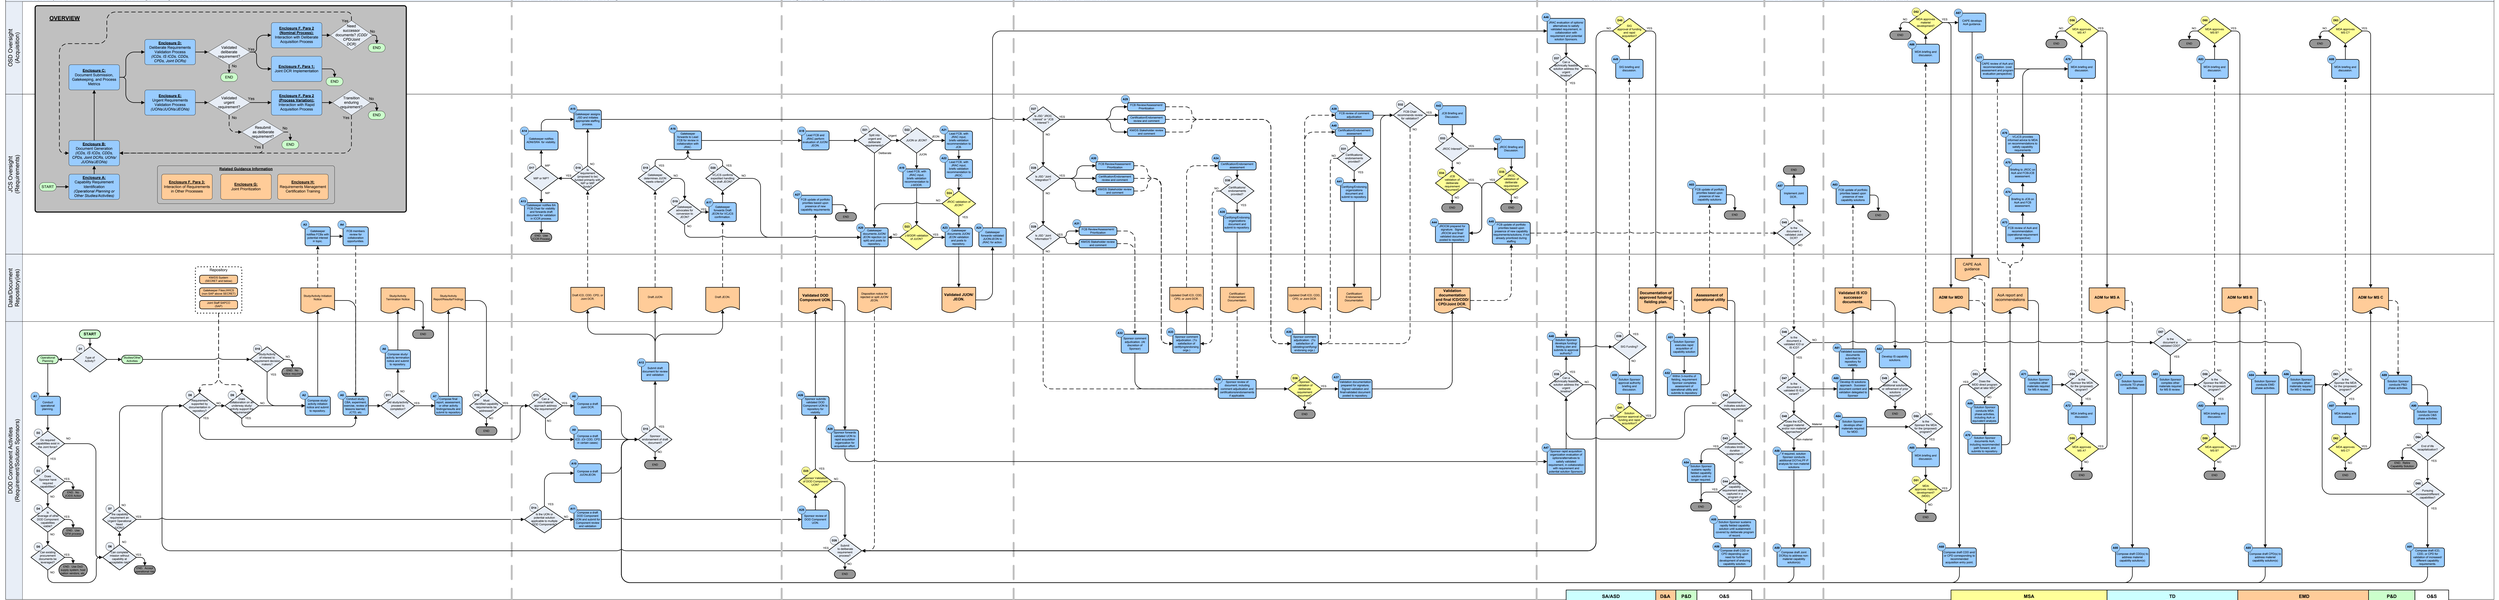
Joint Capabilities Integration and Development System (JCIDS) Process Flow Chart – Rev 1.0 for JCIDS Manual dated 19 Jun 2012



Capability Requirement Identification (including planning, studies, and other activities)
Document Generation and Gatekeeping
Urgent/Emergent Requirements Validation
Deliberate Requirements Validation
Interaction with Rapid Acquisition
DOTmLPF-P
Interaction with Deliberate Acquisition
OSD Oversight (Acquisition)
JCS Oversight (Requirements)
Data/Document Repository(ies)
DOD Component Activities (Requirements/Solution/Acquisition)
OVERVIEW
Enclosure A.
Description of Capability Need Identification, Operational Planning or Other Studies Activities
Enclosure B.
Deliberate Requirements Validation Process (JCB, JROCM, OPAs, and DCRs, JCBs, JCOBs, JCOAs)
Enclosure C.
Document Submission, Gatekeeping, and Process Metrics
Enclosure D.
Joint Prioritization
Enclosure E.
Urgent Requirements Validation Process (JCBs,JCOAs,JCOBs)
Enclosure F.
Requirements Management Certification Training
Enclosure F, Para 1.
Joint CBA Implementation
Enclosure F, Para 2
(Revised Process) Interaction with Deliberate Acquisition Process
Enclosure F, Para 3
(Process Iteration) Interaction with Rapid Acquisition Process
Related Guidance Information
Enclosure F, Para 3.
Requirements Development in Other Processes
Enclosure D.
Joint Prioritization
Enclosure H.
Requirements Management Certification Training
