

## Acquisition Security Related Policies and Issuances

Developed by the Office of the Director, Defense Research Engineering / Systems Engineering  
Last Updated June 2009, send questions/comments to atl-sse@osd.mil

This text version of the Acquisition Security Related Policies and Issuances Tool organizes acquisition security policies and guidance by category/purpose and Office of Primary Responsibility. It is intended to show all policies and issuances an acquisition program may need to comply with and direct them to a hyperlink to the full text. This version prints on 8-1/2"x14" (legal size) paper. In the electronic version available on the DDR&E/SE website (<http://www.acq.osd.mil/sse/docs/acq-security-policy-tool/>), each policy or issuance is hyperlinked to its full text online. A print version, displaying a graphical view sized for 22"x17" (Size C) paper, is also available on the website: <http://www.acq.osd.mil/sse/docs/acq-security-policy-tool/acq-security-policy-tool-chart.pdf>.
